

Book Group Request Form

The Wilton Library will supply up to 5 additional copies of each title for the members of your group to borrow. Please list your group's title selections, along with discussion dates and contact information. We supply copies of titles which are published in paperback and which our supplier has currently in stock. (For older hardcover selections, you can borrow books from other libraries by completing an Interlibrary Loan request form available at the reference desk or online.) Return this completed form to the librarian at reference desk. We will notify the contact person if a book is unavailable. The more advance time you give us, the greater likelihood the copies will arrive in time for your discussion.
