

Wilton Library Agreement for Use of Library Facilities

The Wilton Library Association, Inc. ("Library") subscribes to Article VI of the Library Bill of Rights, which states that facilities should be made available to the public served by the given Library on an equitable basis, regardless of beliefs or affiliations of individuals or groups requesting their use.

Renter's use of the Library Facilities (whether a corporation, partnership, association, non-profit organization, group or individual) shall be governed by the following terms and conditions included in the Agreement for Use of Library Facilities ("Agreement for Use"), the Application for Use of Wilton Library Facilities ("Application for Use") and the Wilton Library Code of Conduct Policy (together comprising the "Rental Agreement") as well as all applicable laws, rules, and regulations. If not defined herein, capitalized words and phrases shall have the meanings ascribed in the Application for Use. Specific requests or variations will be considered at the discretion of the Executive Director and/or the Rentals Coordinator.

BASIS FOR RENTAL

- The Library maintains its facilities primarily for Library-related programs. These programs may be sponsored or co-sponsored by the Library in order to further its mission to provide educational, informational, cultural, and recreational opportunities for the community.
- When the Library facilities are not needed for Library-related programs, they may be rented, provided that a completed and signed Agreement for Use of Library Facilities and Application for Use are submitted to the Library and a Rental Agreement is entered into with the Library. The Library reserves the right to seek references for any applicant seeking to rent the Library facilities before entering into a Rental Agreement.
- Acceptance will be on a first-come/first-served basis.
- Event activities shall be restricted to those facilities for which the arrangements have been specifically made.
- All Applications for Use shall name an adult responsible for all contact between the Library and Renter, including the housekeeping and security of the Library Facilities and payment of the Rental Fee.
- Use of the Library Facilities shall not interfere with the ongoing delivery of Library programs and services. If the Library determines that an applicant's use of the Library Facilities may be disruptive, the Application for Use shall be denied. Use of Library Facilities does not in any way imply endorsement of an applicant's policies or beliefs by the Library.
- Renter may use the Library Facilities for business or organizational meetings or private events. No admission may be charged and no products or services may be

advertised, solicited, or sold without the express written consent of the Executive Director and/or the Rentals Coordinator. **Renter shall have a prominent disclaimer on any publicity that its "event is not sponsored by, affiliated with, or approved by the Library"**. All publicity for the event must be approved by the Executive Director and/or the Rentals Coordinator.

- Should a political party or candidate wish to rent any of the Library's Facilities, they may only do so in compliance with the following: (1) that the individual or organization in any notification or publicity of the event states clearly that the content of their message "is not sponsored by, affiliated with, or approved by the Library"; (2) that notice of said usage is made and offered at the same cost to all other candidates for said office and all other political parties involved with said campaign; (3) that the Renter must affirmatively state that there will be no solicitation of funds, written or otherwise, during the event; (4) that the rate charged any candidate or political party to rent one of the Library's Facilities will be that charged to not-for-profit organizations; (5) that there be no signage on the Library property or building advertising the event, party, or candidate (the Library will provide a sign immediately inside the front door naming the event and its location within the building—this sign may be a kiosk or television monitor directly inside the front doors of the Library); and (6) so that proper notification may be made to other candidates or political parties, no Library Facilities will be booked for a candidate or political party less than thirty (30) days prior to the election.
- Minors may use the Library Facilities only if they are under the continuous supervision of adults. Events attended by minors shall have at least one adult chaperone for each ten minors attending. Exceptions may be made by express written consent at the discretion of the Executive Director and/or the Rentals Coordinator.
- In addition to any causes of action the Library may have against the Renter for breach of the Rental Agreement, a Renter who violates these terms and conditions or those set out in the [Wilton Library Code of Conduct Policy](#) may be asked to leave and/or denied future use of the Library Facilities.

CARE OF THE FACILITIES AND EQUIPMENT

- Renter shall abide by the fire code occupancy limits listed on Exhibit A hereto. Renter shall furnish legally required police and fire supervision for traffic and safety purposes and shall apply to the police and/or fire marshal when their use of the Library Facilities warrants this supervision and provide written notification to the Library of the satisfactory result of such application.
- Renter shall restrict entry to the Event if Renter or the Library deems such restriction to be appropriate.
- Renter shall leave the Library Facilities in a clean and orderly condition. Decorations shall not be nailed, tacked, or taped to the walls or furniture, although painter's tape may be used. Cleaning the kitchen facilities shall include, but not be limited to: (a) floors swept clean (a broom and dust pan are located in the Brubeck Room kitchen), (b) kitchen equipment, tables, counters, sinks, etc. cleaned and left in original order, and (c) leftover food removed from the Library. All meeting rooms must be left in the condition they were found. Rental of Library Facilities does **not** include use of Library supplies (e.g., glass and tableware, flatware, tablecloths, paper goods, and the like).

- Renter shall take good care of the Library Facilities and Equipment and shall report any damage occurring during Renter's use to the Library. Library Facilities and Equipment damaged during Renter's use shall be repaired or replaced by the Library. Renter shall promptly reimburse the Library for the full cost of such repairs or replacement.
- Unattended children are not allowed in the Library courtyards; additionally, no one is permitted to walk in the Brubeck Courtyard Rock Garden.
- The Library shall clean the floors, bathrooms, hallways, shall lock up the Library and, for non-catered events, shall set up tables and chairs. A custodial fee may apply. See Application for Use for rate information.
- Only Library personnel may set up and/or operate the following Brubeck Room Equipment: projector, mic-sound system, DVD player, iPod, computer, and motorized drapes. Library personnel will set up computers and projector equipment in other meeting rooms which may be operated by Renter at the discretion of the Library technicians. Renter will be instructed to turn off projectors at the end of their event. Renter may operate the Library's portable TV/DVD combined equipment. Renters are not permitted access to the Brubeck Room Rack or Stage Wells. Renters are not permitted to plug musical instruments into Brubeck Room Sound System. All equipment must be requested by Renter at the time the Rental Agreement is signed.
- If a piano needs tuning, it will be done by the Library's piano tuner at the cost listed in the Application for Use.

- If the Rental Agreement permits Renter's provision of alcoholic beverages, Renter shall appoint a "Designated Person" who shall be over the age of twenty-one, who shall remain on the premises throughout the Event, who shall not consume alcoholic beverages during the Event and who shall be personally responsible for the Renter's compliance with all laws and regulations applicable to the provision of alcohol.
- If Renter serves alcoholic beverages, the Renter may need to apply for, obtain, and submit to the Library prior to rental a Temporary Liquor Permit through the CT Department of Consumer Protection, unless the Renter holds a permanent license to serve and has provided a copy of this license to the Library. The Security Deposit shall be held to insure that Renter's obligations under the Rental Agreement are carried out, such as payment of any and all costs of cleaning and repair or replacement of the Library Facilities and Equipment.
- The Security Deposit minus any amount deducted for cleaning, repair, or replacement (or satisfaction of any other Renter obligation) shall be returned to Renter within ten business days after the Event, without interest. If the cost of repair for damage exceeds the amount of the deposit, the Renter is responsible for prompt payment of the additional amount billed by the Library.

INSURANCE AND INDEMNIFICATION--required for social events if any alcoholic beverages are to be served.

- Renter shall ensure that its liability insurance policy will be primary in the event of a covered claim or cause of action against the Library.
- Renter shall defend, protect, indemnify and hold harmless the Library and all its trustees, officers, board of selectmen, employees, and members against and from all claims arising from the negligence or fault of the Renter or any of its agents, members or invitees which arise out of the use of the Library Facilities.
- Storage of materials before or after the Event is prohibited. If rental centers are unable to deliver and/or pick up their items on the day of the event, a storage fee may apply. The Library is not responsible for equipment, supplies, exhibit materials, or any other items brought by Renter or any of its agents, members, or invitees to the Library.
