Annual Appeal finish line in sight June 30, 2021

This past year, the library increased investment in digital resources and pivoted to virtual programs including Children's story times, Zentangle classes, literary discussions, jazz concerts, and more. None of this would be possible without the support of private donations to the Annual Appeal. Although the library welcomes the public, it is not a public library, therefore it is not wholly funded by tax dollars. Each year, approximately 25% of the library's budget must be raised to maintain and enhance the collection and provide programs and services to the community. That means 100% of the materials on the shelves and in the digital library have to be raised through donations. Please visit www.wiltonlibrary.org to make a donation today before the library's fiscal year ends on June 30, 2021 or [click here](#) (or visit <https://donate.onecause.com/wlarecurringdonors>) to become a part of the recurring giving society of supporters.
